✯ Promise of the Month ✯

Isa. 12:2 Behold, God is my salvation; I will trust, and not be afraid: for the Lord Jehovah is my strength and my song; he also is become my salvation.

There are several ways to make our visits to church more meaningful.

- Attend with a worshipful attitude.
- Remember God ordained the church.
- Thank God for the freedom to worship.
- Remember the church belongs to God, not man.
- Look for the ways the sermon can be relevant in your life.
- Apply the sermon to your own life, not your neighbors.
- Be involved in school and other rewarding activities.
- Ask the Lord what you can do in your church.

"If a car manufacturer stops making cars, the firm goes out of business. If the Church ceases to make strong believers, it also disappears."

Our Behavior in the Sanctuary

★ Sit quietly in reverence.
★ Be on our best behavior.
★ Don't rattle papers during the service.
★ Keep our feet off pews.
★ Don't play with guest cards, envelopes, etc.
★ Keep crayons, pens off pew cushions.
★ Refrain from giggling and talking.
★ Bow our heads in prayer.
★ Sing the hymns and digest the words.
★ Above all else, worship God.

"Going to church doesn't make us a Christian any more than going to a garage makes us a car."

We want to be related to God, not a building.
